Table Rock Community Bank Announces the Addition of Kennedie Essick as Branch Manager

Springfield, MO – February 13, 2025 – Table Rock Community Bank is excited to announce the addition of Kennedie Essick as the new Branch Manager of their Springfield location.

Kennedie brings over five years of banking experience to her new role. She has previously held positions as a Personal Banker, Assistant Manager, and Corporate Services Officer. Kennedie values the relationships she has cultivated with her customers and colleagues throughout her banking career, as well as the continuous learning opportunities the industry provides.

"I am thrilled to join Table Rock Community Bank's Springfield team," said Kennedie. "I look forward to building strong relationships with our customers and contributing to the community."

Table Rock Community Bank is confident that Kennedie's leadership will enhance the branch's commitment to excellent customer service and community involvement.

"Kennedie's extensive experience and passion for customer service make her an excellent addition to our team. We are confident that under her leadership, the Springfield branch will continue to thrive and provide exceptional service to our community," said Charles Hachtel, President and CEO.

When not working, Kennedie loves attending her boyfriend's rodeos, hunting, being outdoors, and spending time with her family.
