

Banking on Literacy: Community Book Drive to Support Local Schools

This September, we're proud to launch **Banking on Literacy: Community Book Drive** in celebration of **National Literacy Month**. At Table Rock Community Bank, we believe in the power of reading and the importance of education and we're inviting our community to join us in making a meaningful impact.

Why Literacy Matters

Literacy is the foundation of learning, opportunity, and growth. By supporting literacy in our local schools, we're investing in the future of our children and our community. Every book donated helps open a door to imagination, knowledge, and possibility.

Event Timeline: September 2–30

Throughout the month of September, we'll be collecting **new or gently used children's and young adult books** at all our branch locations. These books will be donated to local schools to help build classroom libraries and support reading programs.

How You Can Help

- **Donate Books:** Drop off your donations at any branch location.
- **Spread the Word:** Share our initiative with friends, family, and coworkers.

Let's Make a Difference—One Book at a Time

We're excited to see how many books we can collect and how many young readers we can inspire. Together, we can help build a stronger, more literate community.
